Illuminate the Earth

Open to the public

This is a calling from the west to invite you to a United Gathering of people of all faiths throughout the world. Our event is scheduled one week before Makah Days, an annual celebration of the Makah Nation.

“O ye beloved ones of the Lord! This is the hour when ye must associate with all the earth’s people in extreme kindness and love, and be to them the signs and tokens of God’s great mercy.”

‘Abdu’l-Bahá, from the Bahá’í writings
